How did you first learn of Aquinas College? What factors were important in influencing your decision to apply for admission to Aquinas?  
 I at first intended to earn a Bachelor of Fine Arts degree from Kendall  
 School of Design, however, I recently decided to pursue the Aquinas/Kendall  
 affiliated degree program. I chose Aquinas because of its campus setting and  
 its emphasis on academics.  
 If you were referred to Aquinas by someone, please print their name here: J-Jay Pechta

If you feel your previous academic work may not accurately reflect your true potential as a student, please give us any additional information which you believe could help in evaluating your application for admission (e.g. family background, illness, special interests, etc.).

I feel that my previous academic work may not accurately reflect my true potential as a student. I believe that, among other achievements, my ACT scores and seventh semester grades demonstrate that when motivated, I can and will perform well. I am sending this application under the presumption that Aquinas college will provide me with the motivation that I need to live up to my true potential as a student.

**FOR TRANSFER STUDENTS ONLY**

Record the names of all colleges where you have registered regardless of whether you received academic credit (most recent college first). Have all transcripts sent immediately. Wait until the end of the current term ONLY if you are a first semester freshman at your college.
